ACCUPLACER / MyFoundationsLab

Definitions

National Placement Tests

Used to determine if a student has the skill sets necessary to have a reasonable chance of success in a course or program.

National Diagnostic Tests

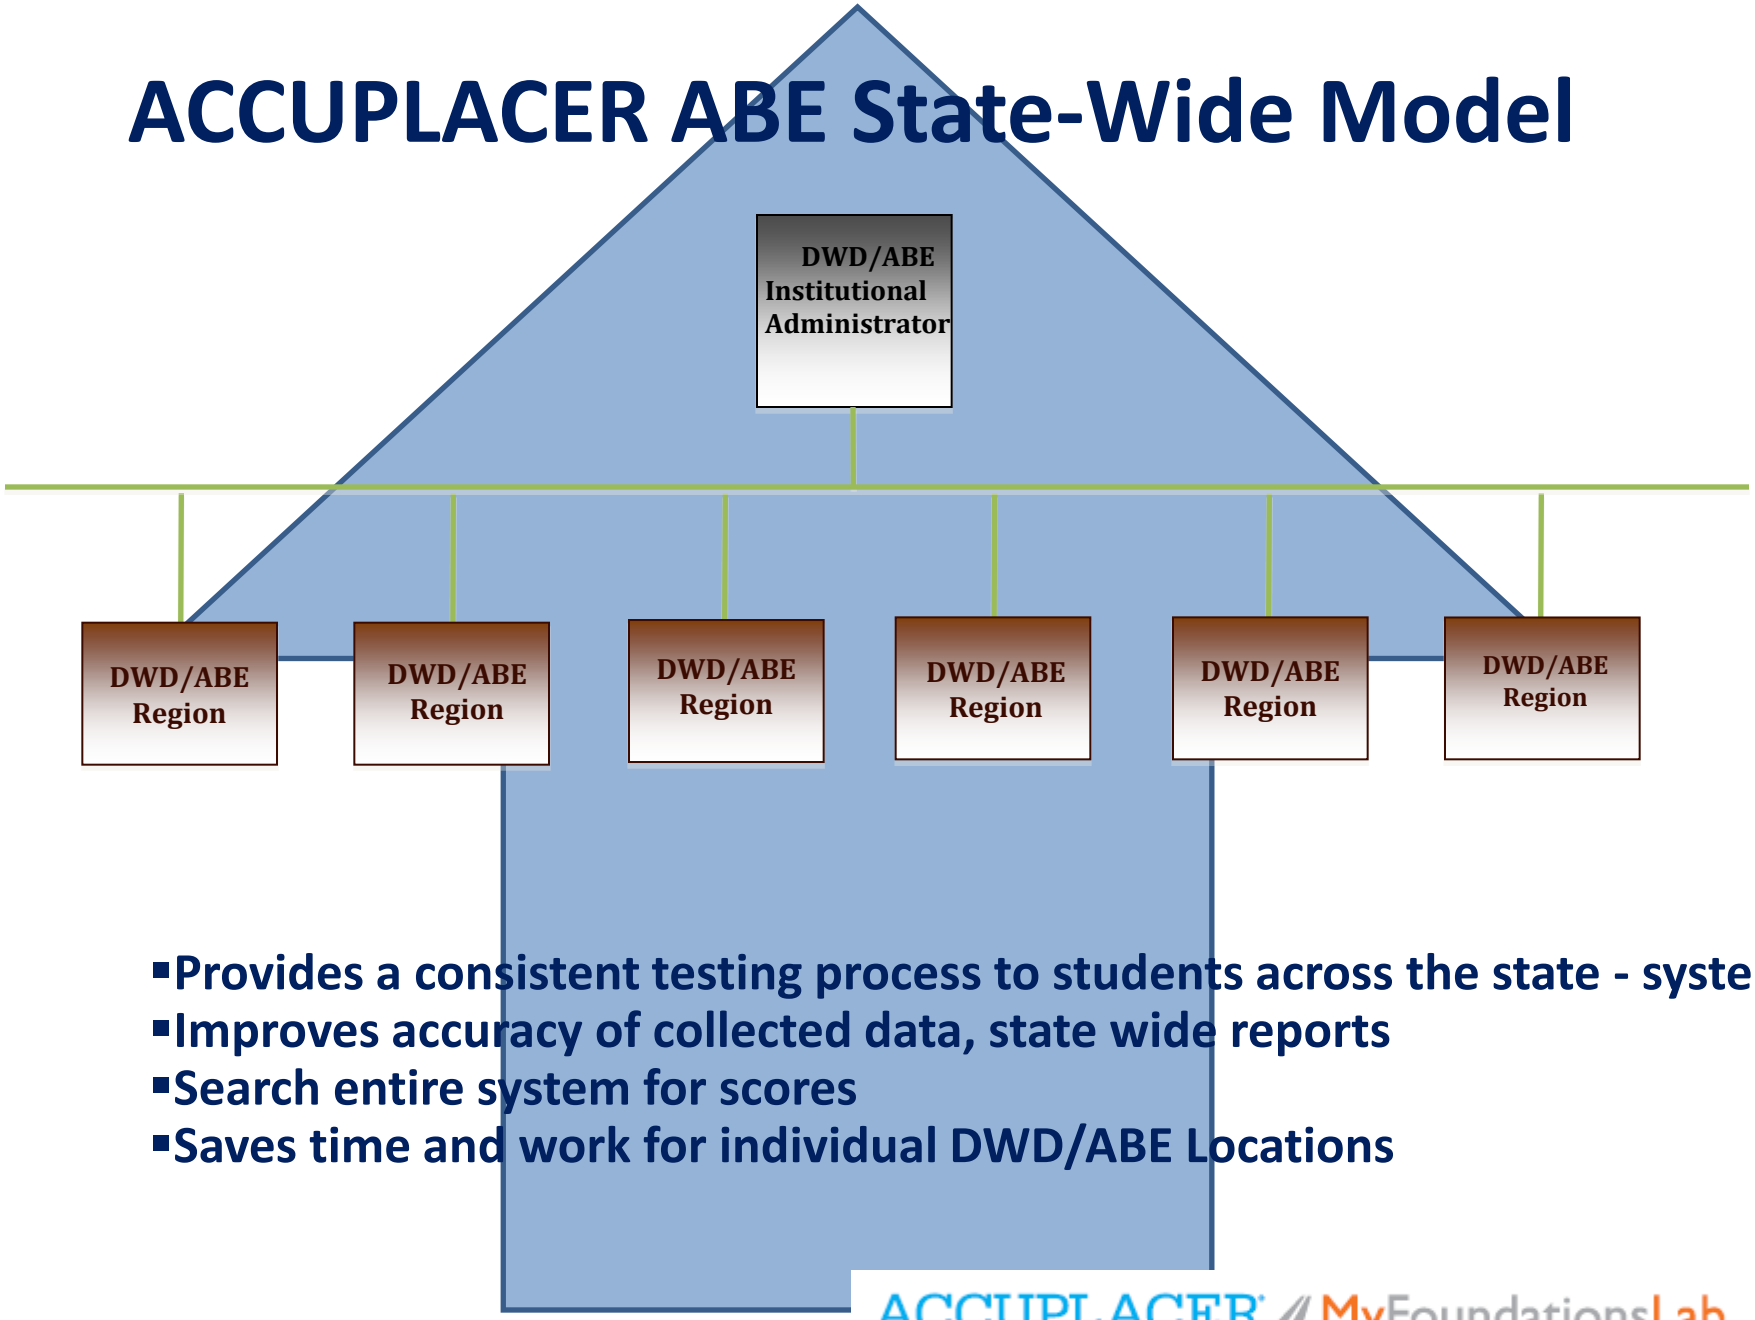
Used to “drill down” to see students strengths and weaknesses in reading, writing, and mathematics.

Ivy Tech Customized Placement and Diagnostic

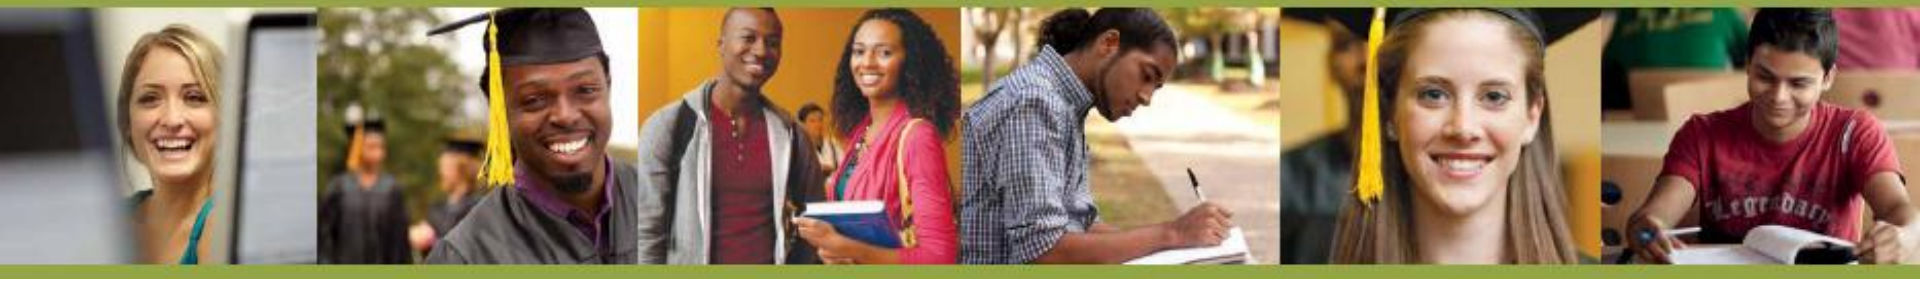
Ivy Tech Faculty defined standards needed for placement into college level courses.

ACCUPLACER / MyFoundationsLab

ACCUPLACER ABE State-Wide Model



- Provides a consistent testing process to students across the state - system
- Improves accuracy of collected data, state wide reports
- Search entire system for scores
- Saves time and work for individual DWD/ABE Locations



ASSESS student skills through ACCUPLACER Diagnostics

IDENTIFY strengths and weaknesses through detailed reporting

PROVIDE a personalized, interactive instruction to improve each student's foundational skills

IMPROVE readiness measured by increased ACCUPLACER Diagnostic or placement test scores

The ACCUPLACER diagnostic assessment is paired with proven MyFoundationsLab remediation. This enhances college preparedness and student success by creating a powerful combined experience.

ACCUPLACER / MyFoundationsLab

IN Adult Ed Teachers and Students: Please Take our Survey!

- Visit www.iaace.com to take the teacher survey, and then encourage your students to do the same! (They can all visit the same computer and take the student survey, one after another, in a matter of minutes!)
- We look forward to sharing the aggregate results (all responses will be kept anonymous) to help advocate for adult education!
- Take the survey by Thursday and you could win! One student and one teacher winner will be drawn for a gift card giveaway at the conference!
